

PREACHING

Series

Spring 2017

Brief details of our  
Services and  
Sermon Series at  
St Mary's Reigate

In both our 10.30 and 6.30 services this term we start by exploring the many rich themes of Christian discipleship that Jesus' close disciple, John, explores in his first letter to the early Christian Community. In the run up to Easter we will then delve into the Old Testament and explore what the intriguing book of Esther might have to say to us about God's interaction with his world, through his people. We will then turn our attention to the wonder and power of the Easter story, including some of Jesus' post-resurrection appearances.
