

PREACHING

Series

Summer 2017

Brief details of our
Services and
Sermon Series at
St Mary's Reigate

A vacancy seems a good time for a church health check up! With that in mind, in both morning and evening services we first come to the challenging words of the prophet Malachi as he comments on the faithfulness, or otherwise, of the people of ancient Israel. Then we will be looking at the way the Bible describes the Church – what images does it use to convey our purpose, character and objectives. In evening services towards the end of the summer we will also be picking up the theme of Spiritual Disciplines, hopefully being encouraged to put in place some great habits to keep us in close proximity to God. And our All-Age Summer Specials on summer mornings will be taking an imaginative look at the wonder of God’s amazing creation!
