

PREACHING

SERIES

A new year and a **new season** in the life of our church. This term kicks off with a look ahead, seeking God together for a vision for the way forward: **CONNECTING / PARTICIPATING / GROWING**. From here we continue our journey through **LUKE'S GOSPEL** picking up the story of John the Baptist once again as the launch pad for Jesus' own mission and ministry and as a backdrop to the whole of **LENT**.

LENT is an important time for us as disciples and I want to encourage you to find a way to engage with it as fully as you can this year. It is a time for **reflection, repentance** and **restoration** and climaxing in the story of Jesus' death and resurrection at **EASTER** we will be tracing the **cruciform blueprint** that Jesus lays out before us. It may be challenging, but it could just change our lives!
