COMMITTEES

The PCC operates through a number of committees that report to the main PCC meeting from time to time. The PCC members, who are also Trustees for the purpose of charity law, are nominated and elected (other than those holding ex officio positions or who are co-opted) at the Annual Parochial Church Meetings. New members of the PCC are inducted into the workings of the Parochial Church Council through meetings with existing members of the PCC, the Churchwardens, and the Incumbent. Information in relation to matters to be discussed at PCC meetings is circulated to members prior to each meeting.

Parochial Church Council of **St Mary's Church** Reigate

ANNUAL REPORT FOR 2023

PCC members, who include the Clergy, Wardens and holders of other offices, are considered to be the Key Management Personnel as they are responsible for directing church affairs. All such personnel give of their time freely and receive no remuneration for their service on the PCC directly from St Mary's. Details of PCC members' expenses, other than reimbursements of costs incurred on behalf of the church, and related party transactions are disclosed in the financial statements.

The pay of staff is reviewed annually and normally increased in line with the Diocese of Southwark salary and stipend increases. All staff are paid at or above the Living Wage Foundation minimum wage.

The following committees supported the work of the PCC during the past year:

- **Standing Committee**

The Standing Committee exists to transact the business of the PCC between meetings and may form the agenda for meetings of the PCC. It consists of the incumbent, the Associate Vicars, the Churchwardens, two deputy churchwardens, the Treasurer and may include other co-opted members. The Standing Committee meets on an ad hoc basis as needs arise. There were 6 meetings of the Standing Committee in 2023.

- **St Mary's Global**

This committee exists to promote our involvement in the church's mission across the world. The committee is active in encouraging support for our link Mission Partners (serving God around the world), financially, practically, and through prayer. The Committee seeks to ensure that the financial support for our Mission Partners and other mission organisations is appropriate for their needs within the resources available.

- **Fabric and Facilities Committee**

This committee exists to oversee all repairs, maintenance and building works affecting the church, the church centre and PCC owned housing.

- **Heath Church Committee**

This committee exists to oversee and plan the mission and ministry of the Heath Church Community under the responsibility of one of the Clergy team.

- **Safeguarding Committee**

This group meets to make sure that the church is compliant with its safeguarding obligations and follows through on all incidents or issues that relate to safeguarding.

- **St Mary's Local**

This is our newest committee and was created to explore and develop the mission, evangelism, and social outreach of the church.

OBJECTIVES AND ACTIVITIES

As a Parish Church within the Church of England's Diocese of Southwark, St Mary's Church (also known as Reigate Parish Church) exists for the benefit of its wider community as well as for those who form part of our week-by-week worshipping community across a number of congregations.

Our vision (what we hope) is to see God changing lives, families, and churches again and again.

Our mission (what we seek to do) is to make whole life disciples of all ages, to create and support communities of people who worship God with their whole lives, and to model and reproduce this as widely as possible.

Our strategy (how we seek to do this) is to draw people into intentional apprenticeship to Jesus through:

- reaching out to a world in need,
- drawing people into a new identity in Christ,

- developing a culture of discipleship,
- loving one another as family, and
- giving ourselves away for the sake of others.

Given this, the work of the church is wide-ranging. Members of our wider parish community have continued to benefit from the mission and ministry of the church and its members, in a variety of settings and across all age groups. When reviewing these and other activities, the PCC has had due regard to Charity Commission guidance on public benefit.

We are very mindful of the fact that the church could not operate without the generous contributions of its staff and its host of volunteers. We are enormously grateful and indebted to all who contribute in so many ways to the life and health of St Mary's Parish Church with the Heath Church.

ACHIEVEMENTS AND PERFORMANCE

2023 was a year of **transition** marked in large part by a number of key staffing changes – Richard Wilson taking a sabbatical, Nigel and Gen Griffiths moving to Merstham to help revitalise the parish along with a number of church members, Kate Capper stepping down as Associate Vicar, Ben Forbes being appointed and starting as our new Head of Community Life, Martin Saunders stepping down from leading our Youth Work with Emily Irving being appointed and starting as our full-time Youth Minister, and Mandy Childs starting her work as Children's Minister (6-11yrs). Esther Lyth joined Leslie Jackson, Nick Rayner and Becky Beggs in the warden team and there was a new PCC with a number of new members.

This level of change within our leadership has been significant. There is the inevitable discomfort that comes from change, and it is natural that new staff and post holders all need time to become established. However, there have also been many positive. The process of creating new roles or reimagining old ones has not only brought renewed clarity and focus among the leadership around discipleship, community building and mission, but also brought new energy into church life that will bear fruit in the coming years.

Giving ourselves away

It has been wonderful to see the vision of sending a group of people with Nigel and Gen Griffiths to join in with the mission in Merstham come to fruition. This was supported with financial and practical support of the Diocese and the Central Church, and our investment has been multiplied many times over. It has been really exciting to see how this group has grafted into the life of the parish and how God has blessed the whole community even in a short time.

Investing in children, young people, and parents

With so many young people and children engaged in the church and with so many families being part of our community, the PCC has continued to be very keen to see our investment in this area of ministry increase. For many years we have been delighted to see our children's and youth work flourish. Post-covid, and with changes of staff and volunteers, there has been a transition to new models of working and meeting these needs. This continues to be an area of importance for us, and we have decided to increase our investment in our providing oversight and leadership.

Being able to appoint a full-time Youth Minister (to build on all that Martin Saunders grew) alongside two part time Children's Ministers has been a major achievement. Emily Irving joined the team in the summer leading the group who went to the Satellites Festival, and she has already brought much. It has been so good to see new Children's team leaders join and grow under Mandy Child's leadership and others step up following Gen's move to Merstham.

We have also been working on placing parents at the centre of our strategy for the discipleship of our children and young people. This found expression in how we shaped our new roles, and in the initiation of a Parenting for Faith course. There is still much to learn about how to embed this ethos into our church life. We were excited to be able to advertise for a new Associate Vicar to lead and oversee this as part of a wider brief of Leadership Development and Discipleship Growth and look forward to seeing Simon Russell taking up that post in 2024.

Reaching our town and area

As a church, especially since Covid, we have been taking time to reflect deeply on our approach to mission and evangelism. The Alpha Course in January to March was well attended and fruitful. It was a delight to see the way a relatively young life group grew in maturity and faith as they took leadership of the course, and to see baptisms and the subsequent growth of new life groups arise out of the process, all of which continue to grow strongly. The progress of St Mary's Local has been slower than we had desired, but it will be exciting to see the momentum and activity grow in 2024 and 2025.

Building our community life

The development of a new full-time 'Head of Community Life' role, to build on and expand on Kate Capper's work, has been another important achievement. Creating a full-time role is a significant investment and shows how important this area of life is for us as church. It has been a joy to welcome Ben Forbes into this role. Ben's role is extensive, but it is focused on developing how we grow our sense of being family together with the idea that families do four things – the look after each other (Pastoral Care), they spend time together (Social activities and time together), they are a place to belong and grow (Life groups) and they make sure everyone is healthy (Emotionally Healthy Church).

Spiritual Formation

Richard's sabbatical was another moment of change and transition, both for him personally as our Vicar and senior leader, and for the wider church. The fruits of this time will perhaps be seen over years rather than months, but it is already evident that it was a time of growth for both him and for the church. All Christian ministry is founded on an inner life with God that has its origin in the gospel, and as Richard seeks to deepen his own spiritual life in response to the gospel, he is also determined that the spiritual formation becomes the hallmark of our life together. The development of the renewed Associate Vicar role further expresses this commitment.

We continue to put a high priority on teaching, where our focus this year was on the early chapters of Genesis, the meaning and identity of Jesus' ministry, and exploring how our future hope shapes life in the present.

Worship and ministry

One of primary callings, as the body of Christ, is to be a community that gathers for worship, and we continue to invest in and develop our corporate times of worship and prayer. Attendance on Sundays fluctuates through the month and over the year and, while this is inevitable, clearer communication around the importance of gathering has been developed (Come | Belong | Serve | Give). In part this is a response to the Covid years where our patterns and commitments changed. St Mary's continues to offer a range of opportunities for worship at different times and in different styles. It has been good to see growth at the Heath Church, and the 8.30am services and to see our mid-week communion service thrive. The numbers involved in our music ministry has grown and the sense of team is also strengthening. Given how technology is now an expected and routine part of our services and this has required extra attention, resources, and time.

Numbers

Once again, we have been encouraged by our attendance at our Easter and Christmas services – 583 on Easter Day, 1082 at our Christmas Carol Services, 1707 over Christmas Eve

and Christmas Day. Our average weekly attendance was 305 adults, and 82 under 16. At the APCM in April 2023 there were 573 names on the electoral roll (544 in 2022).

FINANCIAL REVIEW OF THE YEAR

In our budget projections for 2023 we anticipated that, before charging depreciation, our General Fund expenditure would exceed income by £23,131, therefore creating a budget deficit.

In the event, we the 2023 expenditure exceeded income, by £35,632 (Unrestricted funds only). The main reason for this was that planned giving was £20,212 below budget. This deficit leaves the General Fund Reserve at £245,014 as at 31 December 2023.

Income from donors – Note 2(a)

Compared with 2022, our planned Giving decreased by £38,711 or 8%. In part this can be explained by some large donors (c£20K) moving with Reverend Nigel Griffiths to All Saints Merstham but also the general prevailing economic climate and consequent squeeze on household income and expenditure.

A soft Giving campaign took place during the year including the highlighting of additional 'tap' machines. The results of this style of campaign were not as expected, including a large reduction in one-off donations, and therefore a more formal giving campaign is planned for March 2024.

The number of contactless donation machines in church and the centre has increased while the income from these is still only a small part of general giving, they also allow us to gather 'tap' payments for other church activities and one-off appeals.

Over 300 regular donations from standing orders etc. are currently being received, many from couples. Tax efficient giving was lower than budget and 2022 levels, but still contributed £99,914 to the General Fund as a result of Gift Aid tax refunds.

We are enormously grateful to God for this provision and blessing and to everyone in the church family who has contributed so generously.

Income from church activities – Note 2(b)

Income from the Church Centre and the Church were up c£13,000 against budget thanks to the efforts of the Operations team. Further activity is taking place to ensure that both of our valuable resources are used fully, but appropriately.

This heading also includes rental of church residential properties, and fees for weddings and funerals.

Expenditure – Grants – Note 3

Payments to Individual Mission Partners amounted to £27,307, a reduction from 2022 as one partnership came to an end in August 2023. The grants, of £54,171 to various missional and evangelistic organisations including Tearfund, IJM, Open Doors, Sparkfish and Welcare. Full details of all donations, totalling £81,478 (2022 £83,786) are shown at Note 14 to the accounts. The PCC keeps under regular review the amounts given to mission partners and other donations.

Expenditure – Other – Note 3

In September 2022 the PCC agreed to increase the Diocesan share for 2023 by 3% or £7,374 to £253,194. For 2024, the PCC have agreed a further increase of 3.3% to £261,549 which exceeds the cost, including overheads, of two full time clergy posts. Also included under the heading Diocesan Share, for 2023, was £17K in respect of the services of one additional member of clergy from September 2023.

Staff costs have increased from £154,539 to £187,481. The principal reason for this is the appointment of a full time Youth Minister and the additional member of clergy who focuses on Community Life. The budgeted expenditure for 2024 will see this figure increase further in line with the strategy agreed by the PCC.

ANNUAL REPORT FOR 2023

Balance Sheet

Capital expenditure of £3,508 (2022: £6,696) was incurred in 2023. This included audio visual assets, kitchen and computing equipment.

As in previous years we have used a property valuation website to provide an internal valuation of our 4 residential properties, for Balance Sheet purposes. The value of these properties has decreased slightly in 2023 by £4,800 to £1,840,400 (2022 £1,845,200).

2024

We have decided to budget for expenditure, before depreciation, to exceed income by £46,102 as we expect many expense headings, particularly staff costs, to increase. We cannot at present foresee these costs being totally matched by increases in income. We do however start the year with a high level of reserves (see below) and it seems wise this year to use in part these reserves.

Peggy Caffyn-Tees Legacy

The total sum received in 2013/14 was £359,696. Of this amount, £121,589, was restricted for the Heath Church, with a remaining balance of £1,384 (2022: £2,080). The other two thirds, initially £238,107, is held on trust by the PCC for an indefinite period with the income only to be used to maintain Peggy's family graves, and for fabric work on the Church. This sum has been fully invested in 4 CCLA funds with a gain of £24,136 (£53,482 loss in 2022, bringing the value invested to £343,389 (2022 £319,253). The gain reflects the general upturn in the investment market during 2023. A review of investments has been undertaken in 2023. Income in 2023 from the sum invested amounted to £11,654 (2022: £11,526). During 2023 income of £5,544 was spent (2022: £3,859). The balance carried forward and available for use in future years now stands at £55,811.

RISK MANAGEMENT

The PCC has considered the major risks to which the church is exposed including safeguarding children and vulnerable adults (in which regard the PCC follows the Diocese of Southwark Safeguarding procedures in full and has two experienced safeguarding officers to assist it), disability discrimination, data protection, health and safety and fire protection. The Risk Register is reviewed annually by the PCC.

The PCC considers the principal financial risk facing the Church is that expenditure is not matched by income. This risk is managed by the preparation of regular financial statements, now utilising the new Xero accounting system and an annual budget which is regularly reviewed and updated.

FUTURE PLANS

If 2022 was a year of transition, we anticipate and pray that 2024 and 2025 will be years of increasing momentum, where we see a growth in community, connection, mission, and formation.

We are mindful of our need to secure our finances going forward, raising income to be able to match our vision and sense of calling.

In line with our strategic priorities, we want to:

Reaching out to a world in need:

- Build on our mission and ministry with youth and children under the leadership of Emily Irving, Mandy Childs, and a new younger children's leader
- Firmly communicate, embed, and implement our approach to social engagement and local mission
- Grow confident disciples able to share their faith naturally by teaching and training

Drawing people into a new identity in Christ:

- Welcome and induct new members into church life following Alpha
- Draw people into deeper commitment marked by baptism
- Further develop our 'newcomer's flow' and draw newcomers into fellowship

Developing a culture of discipleship:

- Appoint and establish a new head of Discipleship
- Teach on the grace of God as the foundation of our gospel and community life
- Strengthen a core group participating in our monthly prayer meeting, and renew our approach to our annual 24/7 prayer weeks in the lead up to Easter
- Strengthen our small groups – increasing leadership, engagement, transformation, and participation
- Encourage families and individuals to participate in summer festivals of New Wine and Satellites
- Develop our approach to family discipleship, and spiritual formation across the whole church
- Expand the resources we offer that deepen faith and discipleship that changes lives

Loving one another as family:

- Deepen our belonging and develop our pastoral care
- Launch a new termly publication called 'Spotlight' to share stories that celebrates our community life together
- Establish and develop an annual diary of social events that build community and fellowship
- Continue to develop the depth of community within our small groups
- Plan for a whole-church weekend away together in 2025

Giving ourselves away for the sake of others:

- Continue to maintain our partnership with Merstham and continue to explore partnership with the parish of Nine Elms in Battersea.
- Continue to deepen our partnerships with others in mission overseas and strengthen our communication and engagement within the church family
- Develop our relationships with other Churches and networks as we seek to grow resilient disciples in our secular age.

RESERVES POLICY

It is PCC policy to hold in unrestricted reserves the equivalent of at least one month's budgeted expenditure. It is also our policy to hold sums in reserve for building works arising from the Quinquennial inspection of the Church and for refurbishment of the Church Centre.

The closing balance of £245,014 (2022 £265,554) on Unrestricted General Reserve on 31st December 2023 represents approximately 4 months budgeted expenditure in the year 2024. This sum will provide a very helpful buffer if, as is possible, the church is affected by the continuing cost of living crisis and any further reductions in giving.

Reserves		As at 31 December 2023 £
Total reserves		4,588,950
Unrestricted reserves		4,152,039
*Restricted reserves		406,080
**Designated reserves		71,530
Total funds less restricted and designated funds		4,080,509

*funds not available for general purposes of the charity

**funds that are designated or otherwise committed (at 31 December 2023)

Included within the unrestricted reserve total is £3,835,495 which is associated with property assets. These funds can only be realised by disposing of tangible fixed assets.

INVESTMENT POLICY

The charity (through its Trustees) has the power to invest in such stocks, shares, investments and property as deemed fit. The charity has made such investments, principally in relation to the Peggy Caffyn-Tees legacy (see page 7), to generate income and has made no social investments.

On behalf of the PCC on 18th April 2023

Revd Richard Wilson

Vicar

Parochial Church Council of **St Mary's Church** Reigate

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (the PCC) are responsible for preparing the trustees report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Church Accounting Regulations 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PAROCHIAL CHURCH COUNCIL OF **ST MARY'S CHURCH** REIGATE

Opinion

We have audited the financial statements of the Parochial Church Council of St Mary's Church, Reigate (the "PCC") for the year ended 31 December 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the PCC's affairs as at 31 December 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the PCC in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the PCC members' use of the going concern basis of accounting in the preparation of the financial statements is based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the PCC's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the PCC members with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the PCC members' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the PCC and its environment obtained in the course of the audit, we have not identified material misstatements in the PCC members' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of PCC members' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the PCC members

As explained more fully in the PCC members' responsibilities statement, the PCC members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the PCC members are responsible for assessing the PCC's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the PCC members either intend to liquidate the PCC or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the charity, we identified that the principal risks of non-compliance with laws and regulations related to employment, financial reporting legislation and health and safety regulations and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by making

Parochial Church Council of **St Mary's Church Reigate**

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PAROCHIAL
CHURCH COUNCIL OF **ST MARY'S CHURCH REIGATE**

enquiries of management, considering the internal controls in place and discussion amongst the engagement team.

We determined that the principal risks were related to management bias in accounting estimates, valuation of property, presentation of separately disclosed items and management override of controls.

In response to the risks identified we designed procedures which included, but were not limited to challenging significant accounting estimates such as valuation of property, agreeing financial statement disclosures to underlying supporting documentation, identifying and testing journal entries, reviewing PCC meeting minutes and evaluating the charity's internal controls.

There are inherent limitations in the audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at:

www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the PCC members, as a body, in accordance Part 4 of the charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the PCC members' those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the PCC and the PCC members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2023

1. Accounting Policies

The Parochial Church Council is a corporate body (PCC Powers Measure 1956, Church Representation Rules 2006) and is a charity registered with the Charity Commission (number 1129140). Its principal place of operations is: St Mary's Parish Office, St Mary's Church Centre, Chart Lane, Reigate, Surrey RH2 7RN.

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared in accordance with the Church Accounting Regulations 2006 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102).

The financial statements have been prepared under the historical cost convention subject to the revaluation of residential properties and investments. The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members.

The financial statements are presented in pounds sterling rounded to the nearest £1.

The PCC meets the definition of a public benefit entity under FRS102.

Going concern

The trustees consider that there are no material uncertainties about the Church's ability to continue as a going concern.

Funds

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

Restricted funds are those monies received by the PCC which have been given for a particular purpose.

Endowment funds are funds, the capital of which must be maintained; use of the income arising from investment of the endowment varies according to individual trust purposes.

Income

Donations and legacies

Donations and legacies (including collections and income tax recoverable under Gift Aid) are accounted for once the charity has entitlement to the income, it is probable the income will be received, and the amount of income receivable can be reliably measured.

Other income

Rental income from the letting of church premises is recognised when the rental is receivable.

Income from investments

Dividends are accounted for when receivable, interest is accrued.

Gains and losses on investments

Realised gains or losses are recognised when investments are sold. Unrealised gains or losses are accounted for on revaluation of investments at 31 December.

Grants

Grants relating to revenue expenditure are recognised in income in the periods in which the related costs are incurred.

Expenditure

Expenditure is accrued as soon as a liability is incurred. Support and governance costs are included in expenditure on church activities.

Church activities

Most mission grants are payable monthly and are accounted for in the month in respect of which they are payable. Other mission grants are accounted for when a decision to make payment has been taken.

Parochial Church Council of **St Mary's Church** Reigate

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2023

The Diocesan parish share is accounted for when payable.

Fixed Assets

Land and buildings and church and church centre fittings

Consecrated and benefice property is excluded from the accounts by s10 (2) (a) of the Charities Act 2011. Residential properties used by the PCC in undertaking its activities (i.e. staff housing) have been included in tangible fixed assets at their estimated market value. The Church Centre has been included at its cost at the year end. No depreciation has been provided on land and buildings as the PCC has adopted a policy of maintaining properties to a standard that prolongs their lives and enhances their residual values. No value is placed on moveable church furnishings held by the churchwardens on a special trust for the PCC and which require a faculty for disposal since the PCC considers this to be inalienable property. All maintenance expenditure incurred during the year on consecrated or benefice buildings and on church and church centre fittings continues to be written off as expenditure in the Statement of Financial Activities (SOFA). Fixtures and equipment costing more than £500 are capitalised and depreciated over their useful life which varies from 4 years to 40 years depending on the asset.

Investments

Investments are valued at market value at 31 December. The Statement of Financial Activities includes the net gains and losses on revaluations and disposals throughout the year and are shown as a component of net income.

Current Assets

Gift Aid recoverable and other debtors are included at the amount due. Prepayments are valued at the amount prepaid. Cash at bank and in hand includes cash and sums placed on deposit available on demand.

Creditors and provisions

Creditors and provisions are recognised where the Church has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Critical accounting estimates and judgements

In the application of the church's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
